EQUIPMENT INFORMATION

INTRODUCTION

The AVS™ Detachable Chest Rig is a multi-purpose chest rig capable of being used with various components of the AVS™ system. This unique system allows the user to carry a variety of components comfortably, including a ballistic plate of virtually any size. The AVS™ chest rig system also features a front opening zipper, which allows for easy don and doff of the system when fully loaded. Made in the US from US materials.

FEATURES

- Holds virtually any size ballistic plate, also includes stowable top flap
- Front opening zipper for easy don and doff
- Each of the four front pouches can hold two 5.56 mags, one 7.62, or one MBITR
- Side pouches hold side plates and a MBITR
- One integrated pistol holder on each side of the chest rig

OPERATOR INSTRUCTIONS

ATTACHING CHEST RIG TO AVS™ PADDED YOKE

To attach the AVS™ Detachable Chest Rig to the AVS™ Padded Yoke, perform the following:

*AVS™ Detachable Chest Rig connected to AVS™ Padded Yoke

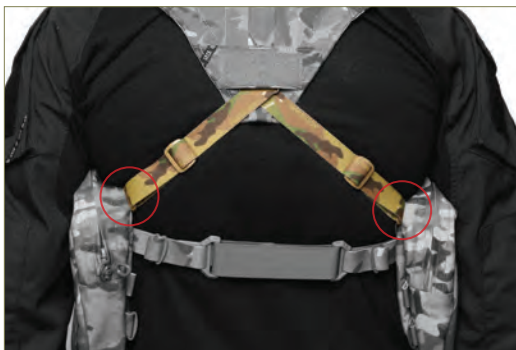

- 1 Fold the end of the chest rig strap in half and route it up under the AVS™ Padded Yoke webbing to the desired position.

- 2 Lay the chest rig strap flat and repeat for opposite side.

- 3 Connect the sides of the chest rig with the elastic strap provided.

- 4 Connect the AVS™ Padded Yoke back strap to top-rear right and left corners of the chest rig.

ATTACHING CHEST RIG TO AVS™ HARNESS

To attach the Detachable Chest Rig to an AVS™ Harness, perform the following:

*AVS™ Detachable Chest Rig connected to AVS™ Harness

- 1 Fold the chest rig straps in half and route them under the AVS™ Harness webbing as pictured.

- 2 Route the right and left arms of the AVS™ Harness through the channel slots on the inside of the chest rig.

- 3 Connect the right and left rear arms of the chest rig to the side of the AVS™ Harness.

DONNING OR DOFFING CHEST RIG

To don or doff the chest rig, with the bib flap in the up position, perform the following:

- 1 Snap or unsnap the top-left strap and route it through the metal loop.

- 2 Buckle or unbuckle the sternum strap.

- 3 Zip or unzip the front zipper closure.

- 4 Route the left side arm of AVS™ Harness in and out of the channel on the back of the plate pocket.

ADDITIONAL FEATURES

TOP BIB STORAGE

The top flap of the chest rig can be stored in the down position if the user desires. Unsnap the top-right and top-left webbing tabs and fold the top bib into the plate pocket.

*Chest rig with top bib stored in the down position.

INSERTING BALLISTIC PLATE

The AVS™ Detachable Chest Rig is designed to accept small through extra large ballistic plates.

- 1 Insert the ballistic plate into the pocket. Route the top flap over the top of the plate and secure it with the 3-bar slide.

- 2 Stow the remainder of the webbing under the elastic band.

*For small and medium plates, use the elastic band on the inside of the plate pocket to secure the plate.

RADIO POCKET

The front outboard pockets on the AVS™ Detachable Chest Rig can be set up to use radios and other items that do not require a flap. The front side of the general purpose pouch has an elastic to hold a radio.

SIDE PLATE POCKET

The side plate pocket is designed to hold a 6"x6" stand-alone plate.

PISTOL POCKET

The chest rig features a pistol pocket on each side. Each pocket is designed to hold a wide range of pistols with or without a light.

NOTES

[illegible]

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.

ABOUT US

Crye Precision designs and manufactures truly innovative equipment for America's fighting forces. We are proud and honored to serve our customers' needs. We spend as much time as we can with users, continuously incorporating their experience and feedback into the gear. We give them our full support and are indebted to them for their service and their sacrifice. We make uncompromising gear for uncompromising individuals. We work hard to provide smart, high-performance, long-wearing gear for people who demand the best. We make all of our gear in America from American materials. Every item is designed to help you perform better.

WARRANTY

If a defect in materials or workmanship is found in any of our products, we will repair or replace it, free of charge, for the lifetime of the product. This excludes normal wear and tear. Be aware that the customer is responsible for any and all return shipping charges. This applies to the original purchaser and is nontransferable.

BODY ARMOR

It is against Federal Law for a person convicted of a violent felony to purchase or possess body armor. In addition, various states also have laws restricting the purchase or possession of body armor by persons convicted of certain felonies, other crimes of violence, or drug crimes. By purchasing body armor, you acknowledge and certify that (i) you have no felony convictions, (ii) you have not been convicted of any other crime that would restrict your ability to purchase or possess body armor under any Federal or State law, (iii) you do not intend to use the body armor for any criminal purpose and (iv) you are over 18 years old. Crye Precision reserves the right, in its sole discretion, to refuse to sell body armor to any person. Additionally, the sale of body armor to residents of Connecticut is restricted to in-person sales, unless the sale is made to certain law enforcement or military personnel. We require that all orders of body armor be accompanied by a government issued photo identification.
