

AVS™ DETACHABLE CHEST RIG

AVSCR1

FEATURES

1. Two integrated pistol pockets on each side hold a wide range of pistols with or without a light
2. Side plate pocket is designed to hold a 6"x6" stand-alone plate
3. Front outboard pockets can be set up to hold a radio
4. Holds virtually any size ballistic plate, with stowable top flap
5. Four front pouches can hold two 5.56 mags, one 7.62, or one MBITR
6. Front opening zipper

DESIGN

The AVS™ DETACHABLE CHEST RIG is a multi-purpose chest rig capable of being used with various components of the AVS™ system. This unique system allows the user to be able to carry a variety of components comfortably to include a ballistic plate. The AVS™ DETACHABLE CHEST RIG also features a front opening zipper, which allows for easy don and doff of the system when fully loaded. One size fits all. Made in US from US materials.
