

AVS™ MBAV PLATE POUCH SET

AVSPS3

DESIGN

Sold as a set (front and back), **AVS™ MBAV PLATEBAGS** are custom fit for each plate size and are designed to work with MBAV ballistic inserts. Can be configured with the AVS™ HARNESS or separately with the AVS™ 2-BAND SKELETAL™ CUMMERBUND for a simpler plate carrier configuration. Front platebag features a VELCRO® brand loop panel that allows the attachment of the AVS™ detachable front MOLLE or Mag Pouch Panels. Made in the US from US materials.

Due to high demand, lead time applies (dependent upon order details). New orders will receive lead time update once order has been received. Orders will be filled in the order they are received. Please refer to the **TERMS** page for more general ordering information. **CONTACT US** for more details regarding availability.
