

# AVS™ PADDED YOKE

AVSYKO

## FEATURES

1. Padded for long wearing comfort
2. Balanced geometry distributes weight evenly on the body
3. Versatile mounting points allow it to be used on many systems

## DESIGN

Our AVS™ PADDED YOKE allows you to turn the AVS™ DETACHABLE CHEST RIG into a standalone chest rig. The yoke can also be used in conjunction with any of our AVS™ Plate Bags to form a modular vest with a padded neck and shoulder area. It can also be used as a comfortable load-bearing means of adding support for any of our belts. One size fits all. Made in US from US materials.
