ACCHS1

FEATURES

- 1. Polyester/Spandex blend printed fleece
- 2. Lined earband for additional warmth
- 3. Eyelets for eye protection

DESIGN

The SKULLCAP™ is a fitted, 3-panel cap, cut for maximum coverage and situational awareness. It keeps your ears warm and doesn't block your peripheral vision. Made from a custom fabric that allows MultiCam® to be printed directly onto the fleece, this mid-weight Polyester/Spandex blend blocks wind and retains warmth while stretching to comfortably fit most heads. Light enough to fit under a helmet but warm enough to be worn alone. One size fits all. Made in US from US materials.
