DESIGN

The Crye Precision **STRETCH CUMMERBUND** adds a new level of comfort and gear access to your carrier. Heavy duty elastic accommodates magazines, radios and other mission critical items and provides a snug custom fit on the wearer. Semi-rigid tabs at openings allow for one handed mag insertion. Retention cords are removable for fast access. Works with **JPC™**, **AVS™** and **LVS™ TACTICAL CARRIER**. Made in US from US materials.
